

Looptrail

Park

Facts

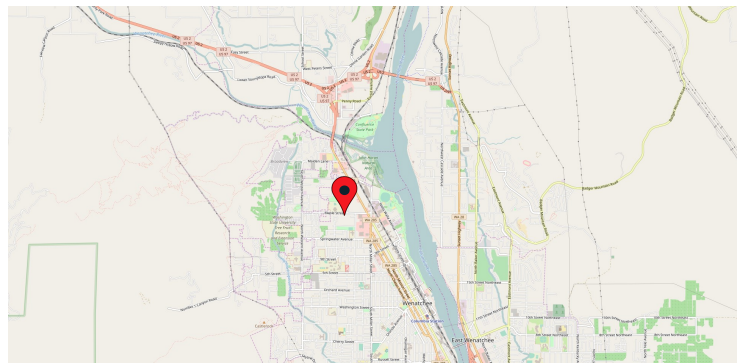

- it is a park
- you can go hiking, roller-skating or biking there and much more
- there is a playground and benches with picnic tables
- the trail there is about 10 miles long
- along the Columbia River in Wenatchee and East Wenatchee

Experience

- very nice landscape
- nice to hike there
- you can do many things such as playing soccer or badminton

personal impressions

- I just hiked on the edge of Wenatchee
- I was there for about 3 1/2 hours
- I liked the landscape and the view over the river and over East Wenatchee
- the sight is good for families, for those who like to hike and for kids because there's a nice playground

Park

latitude : 47.426477 longitude : -120.30723
